0000120510

TIME/DATE PREPARED: December 3, 2010

COMPANY: Arizona Public Service Company

AGENDA ITEM NO. U-13

DOCKET NO. E-01345A-10-0033

OPEN MEETING DATE: Dec. 6, 2010

Page 8, line 2.5, INSERT:

"The Commission believes it would be helpful for Commission consideration that utilities requesting approval for renewable transmission projects should provide a cost benefit analysis that would allow the Commission to examine the cost effectiveness of proposed renewable energy transmission lines. A utility requesting approval for renewable transmission projects shall file an economic analysis which includes bus bar costs of energy projected to be on the line, transmission costs (adjusted for losses), reliability benefits (if any) and production cost savings. Accordingly, APS shall file this information in this Docket within 30 days."

Page 9, line 6.5, INSERT NEW ORDERING PARAGRAPH:

"APS shall file in this Docket within 30 days of the effective date of this order, an economic analysis which includes bus bar costs of energy projected to be on the line, transmission costs (adjusted for losses), reliability benefits (if any) and production cost savings."
